Bing’s joke is funny.
Sam’s songs are funny.
The cats are quick.
They are funny pets.
We take a trip to see friends.
Meg and Ted’s home is by the sea.

We do many things with Meg and Ted.
We go to the beach.
We pick up shells.
Ted digs holes. We plant bean seeds. Ted and Meg teach us about plants.

We ride bikes to the park. Ted pushes us on the swing.
Ted makes meals.
We eat meat and peas.
Meg grows huge peaches.
We eat them with cream.

We read together on the rug.
Ted tells us tales
about neat places.
Meg drinks a cup of tea.
When we say good-bye, we are not happy.
We will send notes to Meg and Ted.
We had a fun time.
