Rob will ride his bike back up the sidewalk by himself! He will try his best to ride safely, and he will smile all the way.
Pam will start dance class. Pam is afraid. Will she fit in?

“What a sour face!” said Mom. “Did you eat a lemon? Smile! It will be fun.” Mom pats Pam’s cheek.
Pam will try to dance. Pam will step with her feet. She will swing her arms behind her.

Pam will bring her hands high and open them. All of the girls do the same.
Class ends so fast!
Pam opens her mouth.
She begins to smile.
She is happy.

Pam can dance now!
She will not frown and look sour.
Her feet are happy at class!
Pam loves to dance.
Pam can dance all day. 
She bends, turns, spins, and glides. 
At home there is no limit.
